

What's News

In ‘Buy American’ Push, Trump Is Starting in a Hole

Foreign-owned companies received more money from federal contracts in the past three months than in any corresponding period in a decade, and President Donald Trump has limited power to buck that trend.

STREETWISE

Markets Send a Worrying Message About the Economy

Markets are flashing red on growth as investors begin to return to pre-election bets on the “new normal”—a persistently weak economic expansion.

THE INTELLIGENT INVESTOR

Your 401(K) May Need Defending From Congress

Lawmakers are considering whether to cut the benefits of contributing to a 401(k) and similar retirement plans, even as Congress basks in the safety of the pension system that taxpayers fully fund, writes Jason Zweig.

This 2015 handout photo from the Defense Department shows a terminal High Altitude Area Defense interceptor being tested in the Pacific Ocean.

China’s Secret Weapon in South Korea Missile Fight: Hackers

Chinese state-backed hackers have recently targeted South Korean entities involved in deploying a U.S. missile-defense system, says an American cybersecurity firm, despite Beijing’s denial of retaliation against Seoul over the issue.

- North Korea Threat Fuels Presidential Hopes in the South

Paris Gunman Was Questioned by Police in February

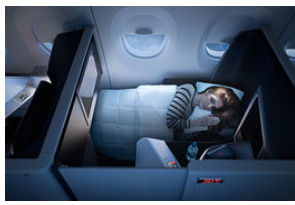

The attacker who opened fire on the Champs-Élysées was a French national and was a suspected threat to public security. He was released after questioning in February due to lack of evidence, the police said.

Business

GE, Still Weighed by Energy, Boosts Profit Amid Cost Cutting Plan

GE boosted profit from its core industrial businesses, though it was still weighed down by its oil-and-gas segment, amid its vow to cut costs.

Musk Lays Out Plans to Meld Brains and Computers

Elon Musk confirmed plans for his newest company, Neuralink, revealing he will be CEO of the startup that aims to merge computers with brains so humans could one day engage in “consensual telepathy.”

Prince Tribute Concert at Center of New Dispute

The messy affairs of late pop star Prince have become even more tangled, as two of the musician’s half-brothers suggested the bank that previously oversaw the estate’s business may have breached fiduciary commitments.

Coming Soon to YouTube’s ‘What to Watch’: Record Company Promotion

YouTube’s suggestions for what its users should watch next are largely based on what has been watched already, but the video-sharing behemoth plans to add a new factor: what record labels want those users to hear.

Markets

The Unconventional World of Bank CEO Bob Wilmers

Bob Wilmers is CEO of M&T Bank, a Buffalo, N.Y.-based lender that from the outside appears to be just another boring regional bank. That doesn’t account for Mr. Wilmers, who owns a vineyard in France’s Bordeaux region and rides to work on a decrepit bicycle.

Citizens Defends Financial Checkup Program for Customers

Citizens Financial Group Inc. said it still has confidence in its program of setting up thousands of appointments with retail clients, but stopped providing some data on the initiative to investors in its first-quarter earnings report.

Visa Posts Stronger-Than-Expected Results but Profit Falls on Charges

Visa Inc. reported profit and revenue increases for the first three months of 2017 that beat Wall Street expectations thanks to robust growth in transactions and the amount cardholders charged.

HEARD ON THE STREET

Banks and Borrowers Are Waiting on Washington

Regional banks are seeing both optimism and angst in the American heartland, reporting that their customers are waiting for clues from Washington before taking action.
