

GOP backs off a health-care push that threatened deal to avert shutdown

Under pressure from the White House, House Republican leaders appeared to be gauging support for a vote on health care as early as Friday but ultimately determined they didn't have enough support. The move had alarmed key Democrats, who said they would pull their support from an agreement to keep the government open past midnight Friday if Republicans brought the health-care bill to a vote. 'I was all set to terminate': Inside Trump's sudden reversal on pulling out of NAFTA

In an Oval Office interview with The Post, President Trump said he had "looked forward" to announcing the U.S. withdrawal from the trade deal on the 100th day of his presidency. But his impulsive turnaround was the latest in a series of abrupt shifts in the frenzied lead-up to his 100th day.

Michelle Obama speaks at the American Institute of Architecture's annual conference in Orlando. (Getty Images)

The Obamas face the paid-speaking circuit — and all the questions that come with it

The former president and first lady, who both made their first appearances as speakers-for-hire on Thursday, could quickly earn millions, following a well-worn path from the White House — but one that poses risks to a personal and political brand rooted in their middle-class backgrounds.

Congress soon could make it harder for rich people to move to the U.S.

An investor visa program criticized as "green cards for cash" will expire this week unless lawmakers reauthorize it. Proponents say it provides capital for development. Critics say it's a two-tier that favors wealthy immigrants.

'I tried to hold it': Flyer says Delta kicked him off plane for restroom use

A Wisconsin man said he was removed from a flight because he left his seat for a restroom run. A fellow passenger called it "the most outrageous treatment of a paying customer that I have seen in my two decades of flying."
