Pentagon to investigate Flynn's payments from foreign groups

The Pentagon office will try to determine whether retired Army Lt. Gen. Michael Flynn "failed to obtain required approval prior to receiving" the payments, according to an April 11 letter from the Defense Department inspector general to House Oversight Committee Chairman Jason Chaffetz.

Trump blames Democrats for government shutdown threats

Even as leaders in Congress neared a deal to keep the lights on past Friday, the president accused Democrats of threatening to close the government over a refusal to back spending increases for defense and border security.

Analysis

New health-care bill may be little more than an exercise in blame-shifting

After taking the heat for the failure of the first proposal, the House Freedom Caucus issued a forceful endorsement of changes to the legislation that modestly tilted the bill to the right. Outside allies declared that the bill's fate now fell entirely on the shoulders of moderate Republicans.

The Fix: Analysis

Trump promised to cut middle-class taxes and target the rich. His treasury secretary isn't so sure anymore.

When asked on "Good Morning America" whether everyone in the middle class would see their taxes reduced, Steven Mnuchin admitted that it's possible they won't.
