First 100 Days

After a tumultuous start, Trump hopes for a smoother agenda on jobs, taxes

But the next few months will not get any easier for the president. While Republicans have control of Congress and set the agenda, they have few opportunities to pass partisan priorities before turning to a series of complicated subjects that require bipartisan action.

By Abby Phillip and Ed O'Keefe • 1 hour ago

The Take Analysis**Republicans are tethered to Trump politically and need to act accordingly**

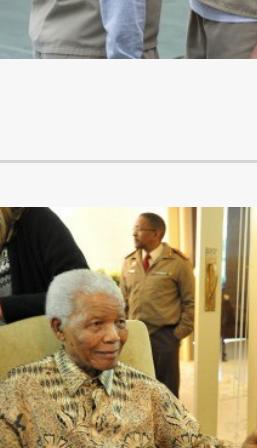

Midterm losses in the House are the norm for the party in power, and the president isn't helping the GOP's cause.

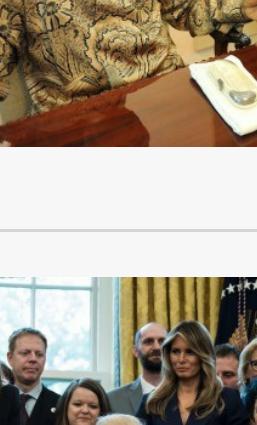

By Dan Balow • 3 hours ago

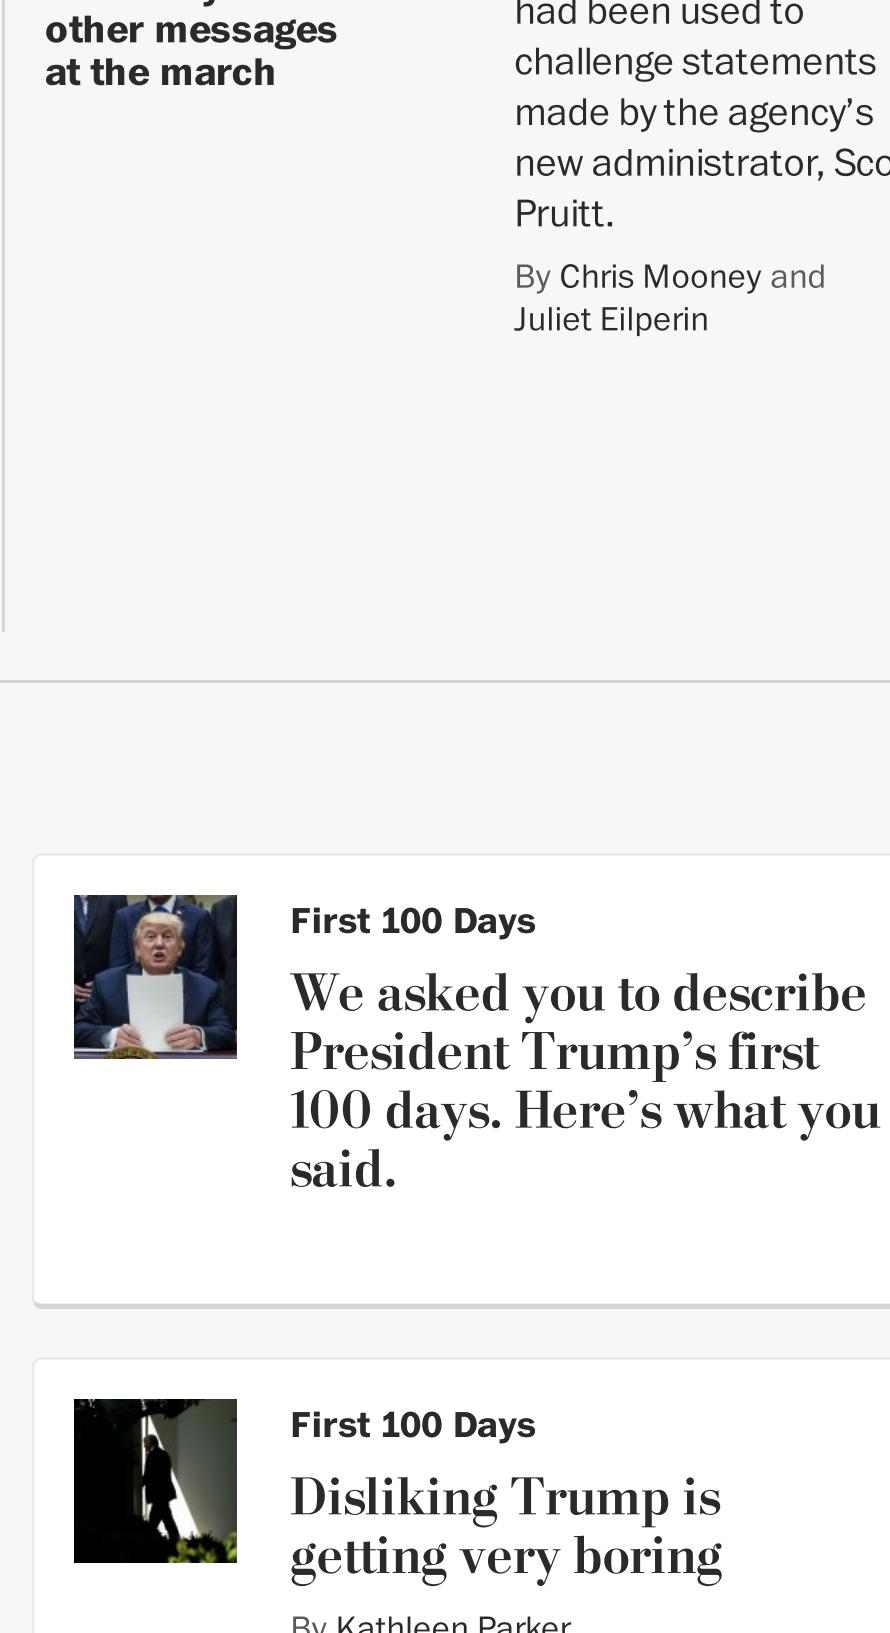

Trump has galvanized activists on the left. Can they stay energized?

Resistance efforts that grabbed headlines in the form of massive women-led marches across the United States the day after the inauguration have settled into something less visible but perhaps much broader.

People's Climate March**Today's march unites a crowd protesting rollbacks of environmental protections**

Rally participants head toward the White House. (Getty)

The rally — which drew thousands to the capital's streets on a sweltering day — is directed at the Trump administration, which must decide whether to remain in the Paris climate accord.

By Chris Mooney, Joe Heim and Brady Dennis • 1 hour ago

'I can't believe I'm protesting for reality and other messages at the march'

One of the sites that appeared to be gone had been used to challenge statements made by the agency's new administrator, Scott Pruitt.

**Answer Sheet Analysis**

The Teachers of the Year went to the White House, but their experience was unusual

The president didn't give individual attention to any of the educators, and most of their relatives were asked to wait in another building.

By Valerie Strauss

**They planned to donate their baby's organs after she was born, but her death came unexpectedly**

ESPN's Royce Young wrote a 3,200-word article to work through his family's loss — and to remember their daughter's legacy.
