

'Massive' Hack Targets Macron on the Eve of French Election

By AURELIEN BREEDEN, SEWELL CHAN and NICOLE PERLROTH

On the eve of the most consequential French presidential election in decades, the staff of the centrist candidate Emmanuel Macron said his campaign had been targeted by a hacking operation that published a trove of internal documents.

The operation was "clearly" an attempt at "democratic destabilization," the statement said, before voters go to the polls on Sunday.
