Democracy Dies in Darkness

Justice Dept. won't charge Baton Rouge officers in fatal shooting caught on video

The videotaped shooting of Alton Sterling by police prompted unrest last July. The case will be the first time under Attorney General Jeff Sessions that the department has publicly declined to prosecute officers investigated for possible wrongdoing in a high-profile case.

Trump, with little progress on legislative goals, sees a 'shutdown' as a way forward

The president's latest threats could signal that Trump will jettison attempts at legislative compromise and instead use the bombastic partisan warfare he employed during his campaign.

Ex-NFL players push a new weapon to fight pain: Medical marijuana

For decades, football players have treated pain with postgame beers, over-the-counter anti-inflammatories and powerful prescription painkillers. But some see cannabis as an effective and safer alternative, and there's a movement to change the way drug is viewed and regulated within the NFL.
